

2015 Domaine Meuneveaux Aloxe Corton 1er Cru

Rating	Release Price	Drink Date	
?	NA	NA	The 2015 Aloxe-Corton 1er Cru is matured in 30% new oak for the first time, as Freddy had bought new barrels anticipating a larger crop in 2016!
Producer			The nose is well defined but perhaps that wood component comes through a little strongly at the moment. The palate is medium-bodied with chewy tannin, but I do find the oak tannin takes control towards the finish and slightly dries out the finish. I will seek to re-taste this once in bottle.
